Optional Captcha for Custom Surveys

What?	Captcha can be used or disabled for “no log in” surveys
Why?	Option for customer to increase adoption of surveys with greater usability or to provide users with Captcha as an additional security measure
Where?	<p>New Business Rule under Admin > System > Configure System > Pulse 360 > Custom Survey</p> <p>Add Security Challenge for Surveys</p> <p>If survey does not require a login, present user with Captcha challenge to ensure they are human. This can block a programmed attack.</p> <p><input checked="" type="radio"/> On <input type="radio"/> Off</p>
Key Notes	<ul style="list-style-type: none">• Only pertains to anonymous surveys that do not require survey takers to log in to Saba Cloud (“Allow Launch Without Login”)• Business Rule (Captcha On) is enabled by default <p>Schedule and Add Members</p> <p>Starts On* <input type="text" value="Start date"/>  Ends On* <input type="text" value="End date"/> </p> <p>Allow Launch Without Login <input checked="" type="checkbox"/> Restrict to Assigned User <input type="checkbox"/></p>

Additional Reminders for Custom Surveys

What?	When sending out a custom survey, owner can add up to 3 reminders at creation
Why?	High completion rates for surveys does require additional reminders.
Where?	Notifications under Admin>System>Configure System>Pulse360>Custom Survey Me>My Surveys>Create New Survey and Submit
Key Notes	<ul style="list-style-type: none">• The notifications are configured for each survey so you can have 1 reminder for a quick survey and 2 or 3 reminders for a survey that will be out there longer.• All reminders use the same base notification.

Notifications: Custom Surveys

Configure the notification events for the service. Notifications alert people to activities, meetings, and other updates and send timely reminders. Specify email text and include documents or other files. Schedule periodic events for a specific time period. Select the checkbox beside each event to enable it.

Settings	Notifications	Description
----------	---------------	-------------

Events [Print](#) | [Export](#) | [Modify Table](#)

Enable	Events	Type	Description
<input checked="" type="checkbox"/>	Assign Pulse Custom Survey to Users	Periodic Event	Assign Pulse Custom Survey to Users
<input checked="" type="checkbox"/>	Send Email to assigned Users	Triggered Event	Send mail to users when they are assigned a Pulse Custom Survey
<input type="checkbox"/>	Send Reminder to Users	Triggered Event	Send reminder to users who have not completed or partially completed Pulse Custom Survey
